

REGGAEinc Your Reggae Link!

**REGGAEinc,
THE PLANET'S LARGEST INDEPENDENT DIGITAL REGGAE DISTRIBUTION NETWORK**

REGGAEinc enables Reggae music producers, artists and labels to sell their music via the planet's largest independent digital Reggae distribution network.

The only digital Reggae distributor operating out of Jamaica, the heart of Reggae music.

Utilizing state of the art technology, REGGAEinc is the leading independent service provider for digital Reggae distribution via Internet, mobile devices and cable, with access to millions of users worldwide.

Reggae music producers, artists and labels are now able to join digital Reggae distribution, using state of the art technology and the planet's largest independent digital Reggae distribution network.

REGGAEinc's mission is to cover all forms of Reggae entertainment on the Internet, via mobile devices and cable. REGGAEinc provides excellent Reggae content such as audio and video downloads as well as radio and television streams, to consumers and businesses all over the world.

REGGAEinc is a distributor and retailer, in the process of establishing the most relevant and extensive Reggae database, distribution network and website.

Partner and backbone of REGGAEinc is 24-7 Entertainment, one of the world's leading digital entertainment service and content provider.

REGGAEinc is providing a powerful and creative medium to Reggae music producers and fans around the globe. Individuals are now able to access Reggae media content from any Reggae artist around the globe and from anywhere on the planet through commercial downloads of recorded music (audio/video) by using a number of downloading formats such as MP3 and many more.

REGGAEinc also serves as a source for delivery of music to online radio and television broadcasting. The REGGAEinc website also features entertainment news and information in order to keep Reggae listeners up to date with current events.

REGGAEinc is most beneficial to Reggae content owners. Once content owners such as artists, producers and labels have signed a non-exclusive agreement with REGGAEinc, their music is instantly accessible to the whole world and to millions of users. As a result of this, content owners as well as consumers are now able to experience the future of Reggae entertainment.

REGGAEinc created a large and vibrant online global community of individuals as well as businesses with interest in Jamaican and Caribbean music and lifestyle, resulting in opportunities for information exchange and advertising.

The Jamaican based entity REGGAEinc Limited successfully presented its services during Reggae Sumfest 2007, 2008 and 2009 in Montego Bay/Jamaica.
